TAVINOX PRESS

TAVINOX PRESS is a flameless fitting system made of stainless steel AISI 316L (1.4404 according to EN 10088-1) and stainless steel pipes AISI 316L (1.4404 according to EN 10088-1) and AISI 304L (1.4307 according to EN 10088-1), offering exceptionally high corrosion resistance. The entire range is type-tested and approved for potable water applications. The system uses the "M" press profile.

TAVINOX PRESS

STAINLESS STEEL PRESS FITTING AND PIPE SYSTEM

TAVINOX PRESS is a flameless fitting system made of stainless steel AISI 316L (1.4404 according to EN 10088-1) and stainless steel pipes AISI 316L (1.4404 according to EN 10088-1) and AISI 304L (1.4307 according to EN 10088-1), offering exceptionally high corrosion resistance. The entire range is type-tested and approved for potable water applications. The system uses the "M" press profile.

1.1 Quality and Certification

The products of the TAVINOX PRESS system are marked with the Czech conformity mark CCZ in accordance with applicable legislation. This mark indicates that the product meets the technical requirements and that the prescribed procedure was followed during the conformity assessment.

CZECH STYLE, spol. s r.o. is the supplier of the TAVINOX PRESS system, which meets quality requirements in accordance with the accredited quality management system EN ISO 9001. TAVINOX PRESS fittings are tested and certified by independent national certification bodies, confirming their suitability and reliability for potable water applications. The TAVINOX PRESS system is certified by the following bodies:

Table 1.

Certification of the TAVINOX PRESS system		
Region	Certification	Material
European Union	DVGW	AISI 316L (1.4404)
European Union	ITC	AISI 316L (1.4404)
European Union	ITC	AISI 304L (1.4307)

Note:

The dimensions stated in the tables are for information purposes only and are based on single-piece measurements. The values are rounded to 0.5 tenths of a millimetre and do not include manufacturing tolerances. These are not technical drawings.

If you require technical drawings, please contact our customer support.
